BEAUTY REFINING FACIALS

REJUVENATING MASSAGE THERAPY

The Chedi Massage

60 minutes – OMR 113

A dynamic therapeutic massage that will dissolve deep muscle tension and soothe the spirit. Two therapists work in synchronised movements using a variety of remedial massage techniques including Japanese Shiatsu pressure point work, deep tissue Balinese Palming, orthopaedic remedial Thai Stretching, lymphatic draining Swedish Effleurage and nurturing long stroke Lomi-Lomi massage from Hawaii. One of the best massage experiences, not to be missed for those who enjoy a strong, yet relaxing massage with enduring therapeutic benefits.

Ayurvedic Abhyanga Massage

90 minutes – OMR 81

An ancient ritual to restore balance to body and mind with warmed therapeutic oil and Ayurvedic massage techniques. Warm nourishing oil is poured over the body with long sweeping movements to follow the natural flow of energy, with a focus on revitalising the marma points. The benefits of the massage include firming and toning, lubricate and free up joints, improve circulation, aid detoxification and elimination, calm the nerves and improve sleep.

Ancient Balinese Massage

60 minutes – OMR 57

90 minutes – OMR 81

This traditional Balinese style massage includes Balinese palming, stretching, effleurage and pressure point techniques to relieve tension, improve blood flow, ease stress and calm the mind. The therapist will adjust the pressure to suit you, request moderate pressure for relaxation or stronger to relieve muscular tension, the choice is yours. Choose from a selection of signature hand-blended massage oils exclusive to The Chedi Muscat.

Himalayan Warm Stone Massage

90 minutes - OMR 90

Shamans have used heated river stones in their healing practice for centuries. Warm stones are placed on the chakras and then massaged over the body to promote a deep state of relaxation, soothing away stress and dissolving muscular tension. The warmth from the stones penetrates to the deep layers of muscle tissues to release tension and soreness resulting from the build-up of lactic acid in over worked muscles. A deeply relaxing experience that will refresh energy and renew the spirit.

Tibetan Ku Nye Massage

120 minutes - OMR 121

Ku Nye is the ancient form of massage therapy used in Traditional Tibetan Medicine, it is an effective dynamic healing art. This body treatment honors and respects the ancient Tibetan traditions of healing, restoring, harmonising and strengthening the body's natural flow of energy. A potent blend of essential oils is combined with the traditional techniques of cupping, acupressure, kneading, rocking and hot stones to purify the five elements of the body, stimulate the lymphatic system and energise the subtle body and meridian system. This powerful healing ritual begins and ends with Tibetan singing bowl sound therapy using a special technique according to gender.

Thai-Style Foot Reflexology

60 minutes - OMR 57

The healing practice of reflexology is thought to have originated in ancient Egypt, it is generally relaxing and may help alleviate stress. The theory behind reflexology is that areas of the foot correspond to organs and systems of the body. Pressure applied to the foot will bring relaxation and healing to the corresponding area of the body. Firm pressure is used to stimulate the reflex points in the feet. During the treatment you will float into a deep state of relaxation for a divine sense of balance and well-being.

Prenatal Massage for Mothers-To-Be

60 minutes - OMR 60

Our portable pregnancy massage bed is designed to accommodate mother's baby bump for complete comfort and relaxation while laying prone in the early to mid-stages of pregnancy. Organic argan oil infused with herbal extracts of lavender, geranium and mandarin bring balance and harmony to mother and baby. Gentle lymphatic drainage massage techniques promote elimination of excess fluid retention while relaxation techniques relieve muscular tension. (Massage is also available for mothers-to-be in the later stages of pregnancy, please contact The Spa reception for details).

THE THERAPY WITH SOFT CUPS

This modernised version of cupping therapy employs a combination of massage techniques creating negative and positive pressure with the use of cups and hands. Suction cups are applied with a gentle, gliding motion, combined with a skin-loving blend of rich, therapeutic oils for a deeply relaxing experience. This multifaceted treatment has transformed the ancient practice of Hijama that can be traced back to 3,000 years ago - traditionally performed with glass cups and heat - into a modern massage service using silicone cups and no heat. This massage technique enhances circulation and promotes the elimination of toxins and waste from the body.

Energise and Lipo-Sculpt Cupping Therapy

75 minutes - OMR 75

Re-sculpt your face and body with the combination of cupping and hands-on massage, performed with a potent formula to detoxify, address cellulite, enhance slimming and to give your body the ultimate deep cleanse.

Reviving Cupping Therapy for Jetlag and Fluid Retention

60 minutes - OMR 61

90 minutes (includes the face) - OMR 89
Revive body, mind and soul with a combination of cupping and hands-on massage techniques using a synergy of balancing organic essential oils to address the symptoms of jetlag, eye bags, puffy skin and fluid retention to reveal the best version of you. Tourmaline Energy Lift Wellness Therapy

30 minutes – OMR 35

Tourmaline gemstone is a semi-precious mineral stone well known for its incredible ability to aid in the detoxification process of the human body. It is one of only a handful of minerals that have the ability to emit negative ions and far- infrared rays.

Furthermore, tourmaline produces a detoxifying, cleansing effect on the nervous system, as well as the organs and tissues of the body. It has been shown as a useful aid for improving circulation, reducing stress, improving brain alertness, mood and activating the immune system. By applying this wonderful healing energy to the body and face at special acupoints, we unlock the full potential benefits. You will experience a one-of-a-kind treatment that will uplift your face, body and spirit.

Oatstraw and Walnut Body Polish

45 minutes – OMR 53

The treatment commences with an invigorating body brushing followed by a full body scrub with oatstraw and walnut body polish.
